

AESTHETICS SERVICES

AESTHETICS SERVICES

Lead by our Nurse Practitioner Owner, the House of Bloom providers are trained in advance aesthetics techniques and procedures, with a focus on safety while delivering natural looking results.

Botox®

Wrinkle relaxer, AKA Botox®, treatments allow for muscles of expression to be relaxed preventing etched in lines from forming. This treatment provides a refreshed appearance while maintaining expression and softening of wrinkles. Treatments last 3-4 months with a gradual wear-off.
