## REGENERATIVE AESTHETICS

*Unlocking the body's own cells for healing & regeneration of our facial tissues for a more natural approach to injectable treatments. Performed by our Nurse Practitioner*

### Sculptra

Looking for a long lasting, subtle & natural appearing volume and skin integrity enhancer? Sculptra is our bio-stimulator of choice to treat pan facial hollowing and volume loss, especially in difficult to treat areas like the temples. Sculptra is a unique volume replacer as it uses your body's ability to regenerate and form new collagen and elastin. Subtle changes develop over a course of 6 weeks with results lasting 2+ years.

**\$900 | PER VIAL**

**\$2400 | BUNDLE OF 3 VIALS**

### PRP/PRF Hair Restoration Injections

PRF injections are a groundbreaking treatment for hair regrowth restoration. The procedure utilizes your body's own healing properties to stimulate hair growth, making it a natural and effective solution for hair loss. Suitable for both men & women. With no downtime, the results are subtle, natural, & safe. This treatment is completed in a series of 4 sessions, followed by maintenance.

**\$700 | SINGLE TREATMENT**

**\$2400 | SERIES OF 4**

**\$600 | EVERY 6 MO. MAINTAIN SESSION**

### Bloom Neck PRPCocktail™

#### Skin Rejuvenation

The ultimate neck rejuvenation treatment. If thin, lax, irregular texture of your neck is a concern, this is the treatment you are looking for. Through two separate treatment sessions, the skin of your neck will achieve improvement in texture, thickness, softening of lines, improvement in skin laxity, diminished "wattle", improvement in platysmal neck bands, enhanced definition of neck. Results last 2 years after 2 treatments.

**\$1325 | SINGLE TREATMENT**

**\$2500 | TWO TREATMENT BUNDLE**

## BLOOM COMBINATION EYE REJUVENATION TREATMENTS

*Combining treatment modalities can address multiple concerns at once while providing superior results.*

### PRF Filler Signature Under-eye Treatment

Is your under-eye's leading to an overall tired and aged appearance to your face? Bloom Medical Aesthetics premier PRF Filler Signature Under-eye Booster Treatment is the more natural treatment to address these concerns and provide a rejuvenated, youthful appearance to the tricky under-eyes. This treatment utilizes your own blood to gather PRF and combined with a touch of filler. This blended formulation provides not only support, but also revolumization. This treatment is done in a series of 3.

**\$750 | SINGLE TREATMENT**

**10% OFF | SERIES OF 3**

### Bloom Bright Eye Treatment

The eye area changes as we age leading to laxity, fine lines, hooding skin, and volume loss. Our Bloom Bright Eye Treatment combines the growth factors in your blood to restore volume with the tightening effects of our CoolPeel Laser.

**\$800 | SINGLE TREATMENT**

**10% OFF | SERIES OF 3**

### Bloom Bright & Tight Eye Treatment

Enhancing results that last. Combining 3 of the best treatments offered at Bloom to address all points of the delicate eye area. Radiofrequency microneedling helps tighten and tone the delicate eye area, PRF injections uses growth factors from your blood to restore volume, and finally CoolPeel laser is used to tighten both the upper orbital rim and lower eye area.

**\$1200 | SINGLE TREATMENT**

**10% OFF | SERIES OF 3**

### Hyperdilute Radiesse Rejuvenation Injections

If your face, hands, or upper arms are showing general laxity, with crepey skin then this is the treatment you may be looking for. Thinning skin, with general laxity, and volume loss can be treated with the use of non-surgical skin rejuvenation injections of hyper-dilute Radiesse dermal filler. After 6 weeks from your initial session you will notice significant improvements, with results lasting up to 2 years. Some cases more than one session is needed.

**\$900 | SINGLE TREATMENT**

### PRF Natural Growth Factor Injections

Are you looking for a natural, effective solution to restore your youthful glow? Look no further! PRF injections are here to revolutionize your skincare routine. This treatment helps minimize large pores, softens acne scarring, evens skin tone, diminishes the appearance of lines & wrinkles, gives the skin a fresh glow, decreases under-eye hollows, firms the skin, & lightens sun spots.

**\$550 | SINGLE TREATMENT**

**\$1500 | SERIES OF 3**
