AESTHETICS SERVICES

Lead by our Nurse Practitioner Owner, the House of Bloom providers are trained in advance aesthetics techniques and procedures, with a focus on safety while delivering natural looking results.

BOTOX®

Wrinkle relaxer, AKA Botox®, treatments allow for muscles of expression to be relaxed preventing etched in lines from forming. This treatment provides a refreshed appearance while maintaining expression and softening of wrinkles. Treatments last 3-4 months with a gradual wear-off.

\$13 | PER UNIT (Dysport® Jeuveau® Xeomin® Daxxify®)

\$14 | PER BOTOX® UNIT

\$150 | LIP FLIP STAND ALONE

DERMAL & LIP FILLER

Dermal fillers replace loss of facial volume. Through strategic placement, dermal fillers provide support, lift, enhancement, and structure. Treatments last 1-2 years.
